Guests can look forward to eight new experiences, including four innovative spaces never before seen at sea, along with many redesigned favourites that elevate everything that makes these ships unforgettable.

The spectacular Celebrity Edge is making its return to Australian waters this summer, showcasing its groundbreaking design features, including the revolutionary Magic Carpet, the world's first cantilevered floating platform offering unrivalled ocean views and unforgettable dining experiences. Journey to incredible destinations, from the vibrant Great Barrier Reef to the breathtaking landscapes of New Zealand and beyond.

On the night, enjoy refreshing cocktail tastings and chef selected small bites while discovering the unique features of Celebrity Edge's Magic Carpet and the exceptional voyages ahead with Celebrity Cruises.
