## PATAGONIA: UNTOUCHED WILDERNESS

14 days • Small Group Guided Tour

Spanning 670,000 square kilometres of towering mountains, giant glaciers and windswept expanses, Patagonia is one of the world's great wildernesses. The culture of the region's scattered population is intertwined with that of the first European settlers and iconic gauchos. On this fascinating journey, you explore four national parks in Argentina and Chile, discovering the distinct traditions and landscapes of this remote part of the world.
